## INTRODUCTION

The *Nerolac Exterior Color Guide* is a book that inspires you with specially crafted color palettes for your home's exterior.

We always have a dream of making a home at a spectacular location. Perched on a mountainside, a cliff overlooking the sea or in a garden full of flowers. We bring the color inspirations from those places and bring that vision to the exterior of your home.

Nerolac has travelled the country and seen how the Indian landscape is changing. The book is filled with inspirational colors for the urban Indian home. When painting or repainting our home, we start our journey with looking for the right inspiration. Understand the architecture of the home as well as the surroundings. Pick the right color palette from the seven unique crafted color stories.

# HOW TO USE THE BOOK

Painting the exterior of a home is a big color decision. We are here to give you the assurance, to get it right.

The seven unique color palettes from Nerolac suit your home and style lifestyle. Each story has a color palette in a close family of colors. They can be easily mixed and matched, allowing you to confidently use them for the home exterior.

## **MASTERPIECE WHITES**

A carefully curated palette of white tints and tones, for classic and graceful villas.

## **SUNLIT BLISS**

Incandescent yellow, orange, and earthy terracotta gives a warm welcome to traditional structures.

## **URBAN SENSE**

A chic color palette in sensual pinks and trendy neutrals for homes, styled for urbane living.

## **EXOTIC ESCAPE**

A home is a getaway in colors of lavender to deepest cobalt turns the house into a holiday, everyday.

## **TROPICAL PARADISE**

A Tropical Paradise is the idea of a house surrounded by glistening lushness. Blue greens wash across homes that are set like jewels.

## **SECRET GARDEN**

Is in a delicate palette of luminous yellows and greens. Modern homes and villas let the outdoors and indoors become one.

## **MODERN MONOCHROME**

The home is a puzzle solved with this modern palette of neutrals. It is a fitting compliment to a modern mix of materials.

### STEP 1

#### **COLLECT THE INSPIRATION**

Look through the story ideas and choose the one that inspires you the most. What suits the architecture of your home? Are you looking for an Exotic Escape, or do you want a Modern Monochrome for your space?

### STEP 2

#### **UNDERSTAND THE INSPIRATION**

After choosing the inspiration, explore the suggested color palette. Create combinations of two to three colors for main body, trim, windows and entrance of the wall.

### STEP 3

#### **HOW CAN THE HOME LOOK LIKE THE INSPIRATION**

Each theme shows you how to use the color palette in different styles. Palettes with the lightest touch of color to bold experimental. Choose from fabulous ideas and create the right palette for your home.
