# INTRODUCTION

The Nerolac Interior Color Guide is a book that inspires you to make beautiful color choices for your home. The book is inspiring with the most tasteful colors for modern spaces. When repainting our home, we want to do something new; yet we have existing color schemes in our furniture and furnishings. What we need is the best new take on revitalizing our current interior.

The Interior Color Guide has the seven most relevant thematic ideas, with very attractive palettes. The themes are lifestyle concepts that capture the way we want to be inspired by color and bring it into each room of our home. Each color palette is a close family of colors. They can be easily mixed and matched, allowing you to confidently use them for the home. Or use different palettes for special rooms.

# HOW TO USE THE BOOK

When choosing color, you want to be inspired and do the best for your home. To make the most creative home for your self and loved ones. The Nerolac Interior Color Guide has seven color stories. This lets you find a concept that is just right for your home.

---

## **MASTERPIECE WHITES**

A carefully curated palette of white and near white tones that form a blank canvas to your artistic home. For the collector, curator; a enduring style that works for all kinds of homes.

## **SUNLIT BLISS**

Light is the most sought after quality in a home. The creamy colors of yellow, sunbaked orange, arresting red and terra cotta fill your rooms with warmth. A palette for the more traditional homes.

## **URBAN SENSE**

A chic palette idea that is perfect for urban homemakers. It blends the qualities of both masculine and feminine principles in a home. Sensual pinks, stunning reds and stylish neutrals for urbane living.

## **EXOTIC ESCAPE**

We all have a favourite getaway place; a holiday in the hills or an island by the sea. A fantastic palette from the lightest dawn of lavender to deepest cobalt turn the home into a resort you never leave.

## **TROPICAL PARADISE**

Tropical Paradise is a slightly retro idea for a naturally stylish home. Rich in strong colors, natural woods, the palette has verdant greens and aquatic blues for a lush home.

## **SECRET GARDEN**

A contemporary look with a seamless transition between the indoor and outdoor areas. For light filled spaces, in a delicate palette of luminous yellows and greens.

## **MODERN MONOCHROME**

The home is a cocoon in this modernist palette of colored neutrals. All manner of gray and brown for walls bring a calm sophistication. Enveloping the room like a comforting shell.

# DETAILS INSPIRATIONS COLLECTION COMBINATION WALL COLOR LOOK

## **STEP 1 :**

Look through the titles and see which idea is the theme you want for your home. Are you looking for an Exotic Escape or do you want a Modern Monochrome for your space.

## **STEP 2 :**

When you settle upon a concept, look at the colors. Beautiful palettes are inspiration not only for your walls but for other colors in the room furnishing and décor accents too.

## **STEP 3 :**

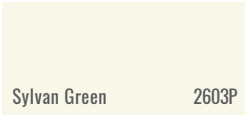

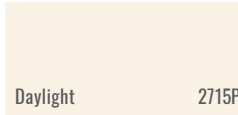

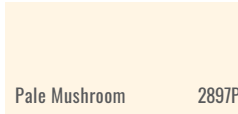

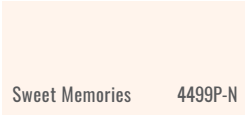

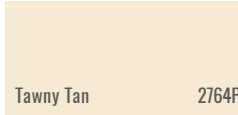

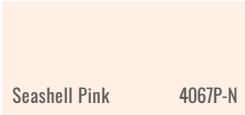

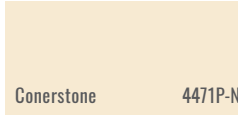

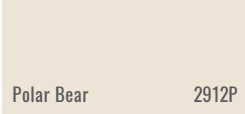

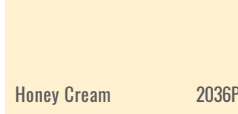

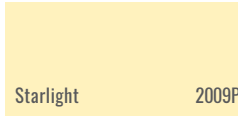

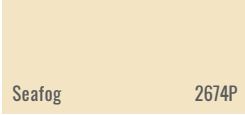

Each theme shows you how to use the color palette in various ways. From the lightest touch of color to bold experimentation. Choose from fabulous ideas and create what is right for your home.

# 01 MASTERPIECE WHITES

A white in its innumerable tints is a perfect backdrop to a modern art filled home. It is like the canvas against which all the elements of a room come to life.
